Daisy Scouts

Fun & Games

Learn about the lives and pastimes of nineteenth century boys and girls. Scouts will make and take a pioneer toy.

Plains Indians

Explore the culture of the Plains Indians. Learn about their dependence on the buffalo, what they ate, what they wore, and how they had fun. Includes a make and take activity.

Brownies

My Family Story

Girls will discover how stories of long ago, gathered from oral histories, photographs, letters and diaries can help us learn about where we came from and who we are.

Celebrating Community

In this program, girls will explore the Old Courthouse and its history galleries to discover how communities celebrate and honor special people and events in the past and today.

Juniors

Playing the Past

In the nineteenth century opportunities for women were often limited, but regardless of the challenges, women made significant contributions to our history as a people.

Inside Government

The Old Courthouse serves as the backdrop for this program where girls will learn about local government, past and present, and how they can be active citizens today.

Reservations for Daisy Scouts, Brownies, and Juniors are taken year round. Approximately 50 minutes in length, each program highlights a different, age-appropriate theme. A one-month advance reservation required. Minimum of six scouts required (max 30). Groups with less than the minimum may be placed with another group, if available. All scouting information can be found at www.nps.gov/jeff in the *Learn About the Park* section.
